About

- Canadian herbal wellness brand blending traditional remedies with modern science

- AI-driven personalized health solutions (Herbopedia, MyHerbalShop.AI)

- Sustainability-focused with ethical sourcing & eco-friendly packaging

Marketing Objective

Brand Awareness

Digital marketing, influencer partnerships, strategic alliances

Product Differentiation

Highlight Ashwa Life Plus with scientific proof & premium quality

Market Share

Target health-conscious professionals, students, wellness enthusiasts

Company's Core Values

6 core values

Transparency & Trust

- Ethical sourcing, clear labelling, honest communication

Innovation & Technology

- AI-driven personalization & digital-first solutions

Sustainability & Responsibility

- Green initiatives & eco-conscious business practices

Education & Community

- Wellness programs & knowledge-sharing workshops

Quality & Efficacy

- Scientifically tested, high-standard herbal products

Ethical Business Practices

- Social accountability & fair treatment of stakeholders

Long Term Aspirations

● Market Expansion

Entry into U.S. & European markets within 5 years

● Product Diversification

Stress relief, immune & cognitive health supplements

● Tech Integration

AI-driven personalized wellness app

● Industry Leadership

Evidence-based research & strategic partnerships

● Sustainability Commitment

Zero-waste packaging, ethical ingredient sourcing

Jamieson Wellness	Canada	Affordable	Leading Natural Health Brand	Pharmacies	Moderate	Market Leader in Canada

Comparison of key metrics

Herb Immortal with Competitor

Marketing Plan Presentation

Combined SWOT Analysis

Strengths

- **Herb Immortal:** AI-powered personalized wellness, sustainability, affordability
- **NOW Foods:** Large product portfolio, mass-market reach
- **Natreon Inc.:** Strong clinical validation, patent-based extracts
- **Organika & Gaia Herbs:** Sustainability & organic farming focus

Opportunities

- **Herb Immortal:** AI-driven wellness solutions & B2B partnerships
- **NOW Foods:** Expansion into functional foods & beverages
- **CanPrev:** Growth potential in Canada's supplement market
- **Jamieson Wellness:** Global expansion leveraging strong Canadian reputation

S**W****O****T**

Weaknesses

- **Herb Immortal:** Limited brand recognition, digital-only model
- **NOW Foods:** Lack of sustainability focus, non-organic certifications
- **Natreon Inc.:** Premium pricing limits mass adoption
- **Nature Made & Nature's Bounty:** Less emphasis on research & innovation

Threats

- **Herb Immortal:** Fierce competition (iHerb, Gaia Herbs), regulatory hurdles
- **Natreon Inc.:** Competitors offering lower-cost alternatives
- **Gaia Herbs & Pure Encapsulations:** High R&D costs vs. low-cost competitors

RECOMMENDATIONS

**Strengthen Brand
Reputation & Trust**

**Leverage Sustainability as
a Market Differentiator**

**Competitive Pricing & Market
Positioning**

**Expand Distribution Channels
(B2B & Global Expansion)**

**Ensure Regulatory Compliance
for International Growth**

AI-Driven Lead Generation & CRM Email Marketing

- Increase AI-driven lead sign-ups by 25% & achieve 35% email open rates in 2 months
- AI pop-ups & landing pages for lead gen
- Automated email workflows with personalized insights
- CRM analytics for content optimization

Social Media Growth via KOLs & Influencers

- 40% increase in engagement & 15% rise in followers in 2 months
- Partner with 5 wellness micro-influencers for authentic promotion
- Host Instagram & LinkedIn Q&A with Ayurvedic experts
- Launch social media giveaways & UGC campaigns

Segmentation, Targeting, and Positioning (STP)

Demographic

- 25-55 years old
- middle-to-upper-income professionals
- students
- wellness-focused consumers.

Geographic

- **North America:** Stress-relief supplements, high competition.
- **Europe:** Preference for organic, science-backed supplements.
- **Asia-Pacific:** Ayurveda and traditional medicine-driven market.

Psychographic

- Health-conscious
- eco-friendly
- scientific validation seekers

Market Segmentation by Region ↘

REGION	KEY SEGMENTS	MARKET TRENDS	CHALLENGES
North America (USA & Canada)	Corporate Professionals (25-55, high-income, stress management), Students (18-24, cognitive enhancement), Wellness Enthusiasts (all ages, natural/holistic solutions)	AI-Driven Health Solutions, Sustainable Packaging, Transparency and Traceability	High Competition, Stringent Regulations, Consumer Skepticism
Europe (UK, Germany, France, Netherlands)	Organic Shoppers (prioritize organic products), Fitness Enthusiasts (performance/recovery supplements), Eco-Conscious Consumers (sustainable/ethical sourcing)	Preference for Scientifically Validated, Vegan-Friendly Supplements, Focus on Gut Health, Subscription-Based Models	Stringent Regulations (claims require evidence), Cultural Differences, Language Barriers
Asia-Pacific (India, China, Japan, South Korea)	Consumers with Traditional Medicine Backgrounds (Ayurveda, TCM, Kampo), Corporate Professionals (stress management), Aging Population.	Strong Demand for Herbal Wellness Solutions, Growing Wellness Industry, E-Commerce Growth	Regulatory Complexities (varied frameworks), Counterfeit Products, Cultural Sensitivities

Targeting & Positioning

Positioning Strategy

- AI-driven, science-backed wellness brand.
- Sustainable packaging & ethical sourcing.
- Omni-channel presence (DTC e-commerce + retail).

Health-Conscious Professionals

LinkedIn, corporate wellness, Google Ads.

Wellness Enthusiasts

TikTok influencers, referral discounts, ambassador programs.

Seniors (55+)

AI-based personalization, organic retail stores.

Students & Young Adults

Facebook engagement, pharmacy partnerships.

Customer Marketing Persona

Stressed-Out Professionals	Ambitious Students	Fitness Enthusiasts	Holistic Healers
Need stress relief & mental clarity • AI-backed personalization, workplace wellness.	Need focus & stress reduction • Budget-friendly, influencer marketing	Need recovery & energy • Trainer endorsements, athlete testimonials.	Need herbal alternatives • Ayurvedic collaborations, sustainable packaging.

Marketing Strategies

AI-Powered Personalization

Recommends supplements based on user health data.

Influencer Partnerships

Leverage wellness experts, athletes, students.

Retail Expansion

Amazon, organic stores, pharmacies.

Social Media Engagement

TikTok, Instagram, YouTube campaigns.

Loyalty & Subscription Programs

Exclusive wellness content & discounts.

Sustainability Branding

Behind-the-scenes on eco-friendly sourcing.

Integrated Marketing Communications (IMC) ↘

Condition	 Canada	 United States	 Europe
Anxiety Disorders	Approximately 20%	Approximately 20%	Varies by country; for example, Portugal has an incidence rate of 10.27 per 1,000 people.
Sleep Disorders (Insomnia)	16.3% to 29.5%	33% to 50%	Approximately 10% experience chronic insomnia.

Primary Focus: Addressing Insomnia (affects 33-50% of North Americans).

Brand Message

- "The Awakening: Redefining Sleep for the Sleepless"
- Core Themes: Ayurveda-backed, science-validated, sustainable.

Brand Story Roadmap ↘

**1****KNOWING BELIEF****2****IMPORTANCE OF SLEEP****3****SUFFERING WITH
INSOMNIA****4****NOT AWARE OF
PROBLEM****5****RESULT OF INSOMNIA****6****SOLUTION (HERB
IMMORTAL)**

Marketing Channel Strategy

Marketing Budget Allocation Breakdown Chart ▾

Risk Evaluation & Management

Competitive Market

Differentiate via AI-driven personalization & sustainability

Regulatory Compliance

Ensure Health Canada & EU compliance, track regulatory updates.

Health & Safety Risks

Transparent labeling, post-market tracking, consumer education.

Supply Chain Vulnerabilities

Diversify suppliers, AI-tracked sourcing, buffer stock.

Marketing Risks

Only science-backed claims, third-party ad compliance reviews.

Risk Assessment

Table ↘

RISK	IMPACT	LIKELIHOOD	PRIORITY
Regulatory compliance risk	HIGH	MODERATE	HIGH
Health and safety	HIGH	MODERATE	HIGH
Supply chain risk	HIGH	HIGH	HIGH
Advertising and Marketing	HIGH	MODERATE	MODERATE
Market competition	MODERATE	HIGH	MODERATE
Quality control	HIGH	HIGH	HIGH

Thank You!
